

Hello Mohawk College employees working from home!

Staples Business Advantage has put together a program enabling employees to purchase home office items such as chairs and desks delivered right to your front door.

The program is easy to use. Please review the accompanying product selection PDF guide, offering up to a 30% discount. Once you know what you would like to order follow the ordering steps below. Most items are in stock for quick delivery. There is no charge for most deliveries in a city core but there may be a delivery fee if you are remote. If you would like your chair assembled there will be an assembly fee, you will see this option at the check out process.

To keep you and our drivers safe all items will be delivered to your front door and left without a signature. If you ask for a chair to be assembled, it will be safely left in a bag. Unfortunately, we cannot provide you with a delivery date or delivery window but since most of the items are in stock it is most likely that after you check out delivery will be between 1-5 days.

All orders will be charged to your credit card and a copy of the invoice will be included in the delivery.

We have selected products for you based on criteria provided by your organization and they represent the best value for your money. Although the program was designed to allow you to purchase commercial grade office furniture for your home, the site will not restrict you from ordering other items for gifts or personal use.

In the following pages I will provide some screen shots showing how easy it is to place an order.

Thank you for your business and most importantly, stay safe!

Best Regards,

Becky Blake

## Vion High Back Multi-Tilter w/Fog Frame, fabric

Item#: GLB6321TC74M569 Manufacturer/Brand: GLOBAL UPHOLSTERY CO.

Ergonomic features:

### Tension Adjustment

Increase or decrease to match body weight. Allows you to rock comfortably, without heavy pushing, reducing muscle fatigue.

### Chair Tilt Lock

Lock the tilt movement in position(s) to accommodate your working posture. Allows you to lock your chair in a comfortable and supportive position. (can be either single position or infinite style).

### Seat Height

Raise or lower to allow your feet to rest flat on the floor. Avoids pressure under your thighs, easing blood flow.

### Seat Depth

Change the depth of the seat to accommodate the length of your thighs. Keeps your back in contact with the backrest while avoiding pressure behind your knees.

### Arm Height

Raise or lower to support your forearms. Reduces muscular effort in neck and shoulders, minimizing risk of pain.

### Waterfall Seat Edge

Reduces pressure at the back of the knee, contributing to good blood flow.

### Properly Contoured Cushions

Support the body effectively, allowing you to sit longer without discomfort.

### Width Adjustable Arms

Allows outward movement of armrests to match shoulder breadth. Ensures armrests properly support forearms, reducing muscular effort in neck and shoulders.

### Center-Tilt Movement

Chair tilts from a pivot point under the center of the seat allowing you to rock. When your feet are well supported, blood flow is enhanced.

### Soft Descent Pneumatic Lift

Gently and gradually lowering the seat helps you easily select proper seat height without causing a jerking motion.
